Allowable Subject Matter

Claims 1-10 are allowed in view of the prior art of record.

The following is an examiner's statement of reasons for allowance:

As to claim 1, the prior art of record, taken alone or in combination, fails to disclose or render obvious an edge determining means for determining an edge position of an object based on position specifying data stored in a memory and inputted outer shape data inputted by inputting means in a surface inspecting apparatus, in combination with the rest of the limitations of claim 1.

As to claim 8, the prior art of record, taken alone or in combination, fails to disclose or render obvious an edge position determining means for determining an edge position of an object based on determined reference position information acquired by processing an image including an image of a mark for a predetermined position and inputted outer shaped data inputted by inputting means in a surface inspecting apparatus, in combination with the rest of the limitation of claim 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Amendment

The amendment filed on May 12, 2006 has been entered. The amended title has been accepted by the examiner. The abstract submitted with the amendment has also been accepted, resulting in a withdrawal of the objection to the abstract.
